

FREDERIC SANCHEZ

Chairman & Chief Executive Officer of Fives

Within MEDEF (the largest Business Confederation in France with over 750,000 member companies):

- **President of MEDEF International**
- **President of the France-United Arab Emirates and France Saudi Arabia Council of Entrepreneurs at MEDEF International**

Member of the Supervisory Board of STMicroelectronics and Thea Holding

Bureau Veritas, Business France & Primagaz Administrator

Honorary co-president of the Alliance Industrie du Futur

Frédéric Sanchez was born in 1960 & graduated from HEC Business School (1983), as well as Sciences-Po Paris (1985). He also holds a Master Degree in Economics from Université Paris-Dauphine (1984).

He started his career in 1985 with Renault in Mexico, then in the U.S.A. In 1987, he became a Mission Manager at Ernst & Young.

In 1990 he joined Fives-Lille group, in which he held various positions before being appointed Chief Financial officer in 1994 and becoming Chief Executive Officer in 1997.

In 2018, Fives – as the « Compagnie de Fives-Lille » was renamed in 2007 - became a Simplified Joint-Stock Company (*Société par Actions Simplifiée - SAS*) chaired by Frédéric Sanchez, Chairman and CEO, supported by a Deputy Chief Executive Officer as well as a Supervisory Committee.

Under his leadership, Fives accelerated its development by strengthening its geographical footprint and its portfolio through major acquisitions and the opening of regional offices in Asia, Russia, Latin America and the Middle-East. Since 2002, Group sales more than doubled, as well as the number of employees.

ABOUT FIVES

Fives is an industrial engineering Group with a heritage of over 200 years of engineering excellence and expertise. Fives designs and supplies machines, process equipment and production lines for the world's largest industrial groups in various sectors such as aluminium, steel, glass, automotive, logistics, aerospace, cement and energy, in both developing and developed countries.

In all these sectors, Fives designs and manufactures equipment and innovative solutions, which better anticipate and meet the needs of its customers in terms of performance, quality, safety and respect for the environment.

In 2018, Fives achieved a turnover of €1.95 billion and employed close to 8,700 people in nearly thirty countries.
